LEADER IN ME

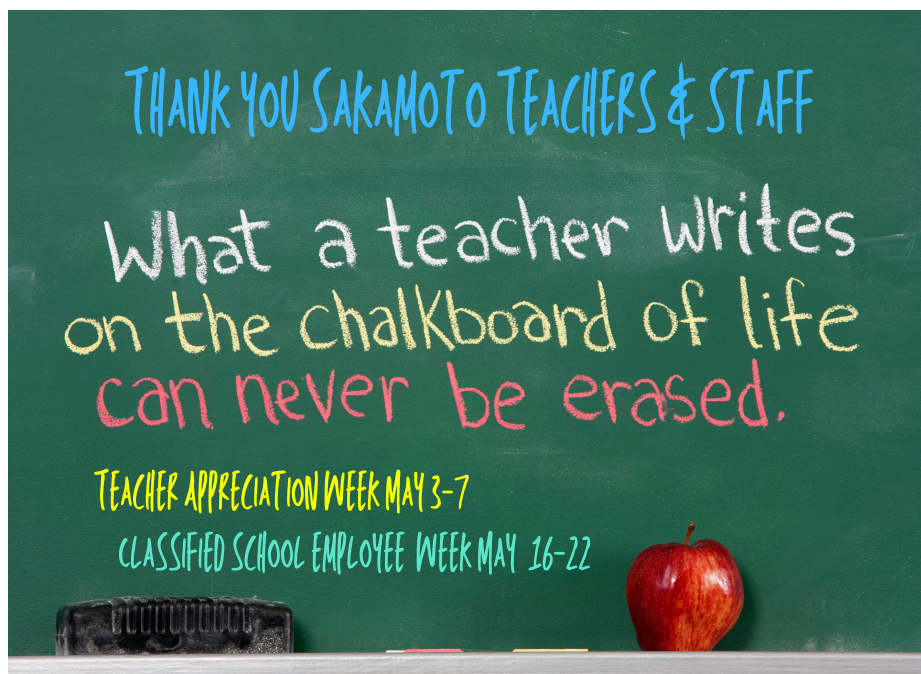

Through the Leader in Me skills, mindsets, and habits, students at Sakamoto are developing leadership skills they can use here at school and at home! This month's habit is Habit 5: Seek First To Understand Then Be Understood. Students will learn and practice active listening and empathy through this habit.

Your voice is valued! We want your opinion on how our school is implementing this program to drive decisions about the future. Please use this link to complete the parent survey by May 21st:

WHAT'S UP @ SAKAMOTO

We are so happy to have students back on campus! The return to school of kindergarteners and first graders was such a success and we look forward to welcoming back our 2nd and 3rd graders the week of May 3rd and 4th-6th graders the week of May 10th. Thank you families for all you have done to keep the learning going at home and prepare your children for a successful return to school!

Students are taking their End of Year iReady tests a little early this year and will be finished by May 14th.

Sakamoto continue to have healthy habits! We won the City of San Jose Walk n' Roll Week challenge in March, for the second time! The city sponsors a week of activity the last week of every month and students can participate via online activity tracker.
